Daria Artemova Web dev

A passionate **web dev** and **accessibility advocate**. In my spare time, I enjoy indie game development and crafting hand-drawn game assets.

Experience 7+ years

Consultant

Reaktor, Amsterdam   since November 2022

- Building and improving complex web solutions
- Driving accessibility practices

Key achievements:

- Developed a component kit for video streaming and short video feeds
- Created a Chrome extension simulating visual impairments to promote web accessibility

Front-end developer

Raiffeisen, Moscow   May 2021 - October 2022

- Developing and maintaining data-heavy apps
- Implementing UI/UX design for minor features
